# PROBLEMS

Time at a charging stations is **always**  
**wasted time.**

People who **sit a lot**, have a **reduced**  
**lifespan.**

If something is wrong, you are **on your**  
**own.**

# SOLUTIONS

- 1** You are bored and we know the cure:  
Activities in your area in your timeframe.
- 2** Stuck with a problem?  
Our personalized charging station AI, Eve,  
will guide you.
- 3** After long drives, you need to move.  
Our fitness assistant will fix your stiff  
limbs.

# THE PRODUCT

# FUTURE OUTLOOK

- **further personalized fitness assistant based on your driving history**
- **Evees, an in-app currency, will be available to be exchanged for discounts at local shops**
- **and many more**

THANK YOU

**FOR  
LISTENING**
