GreenThumber

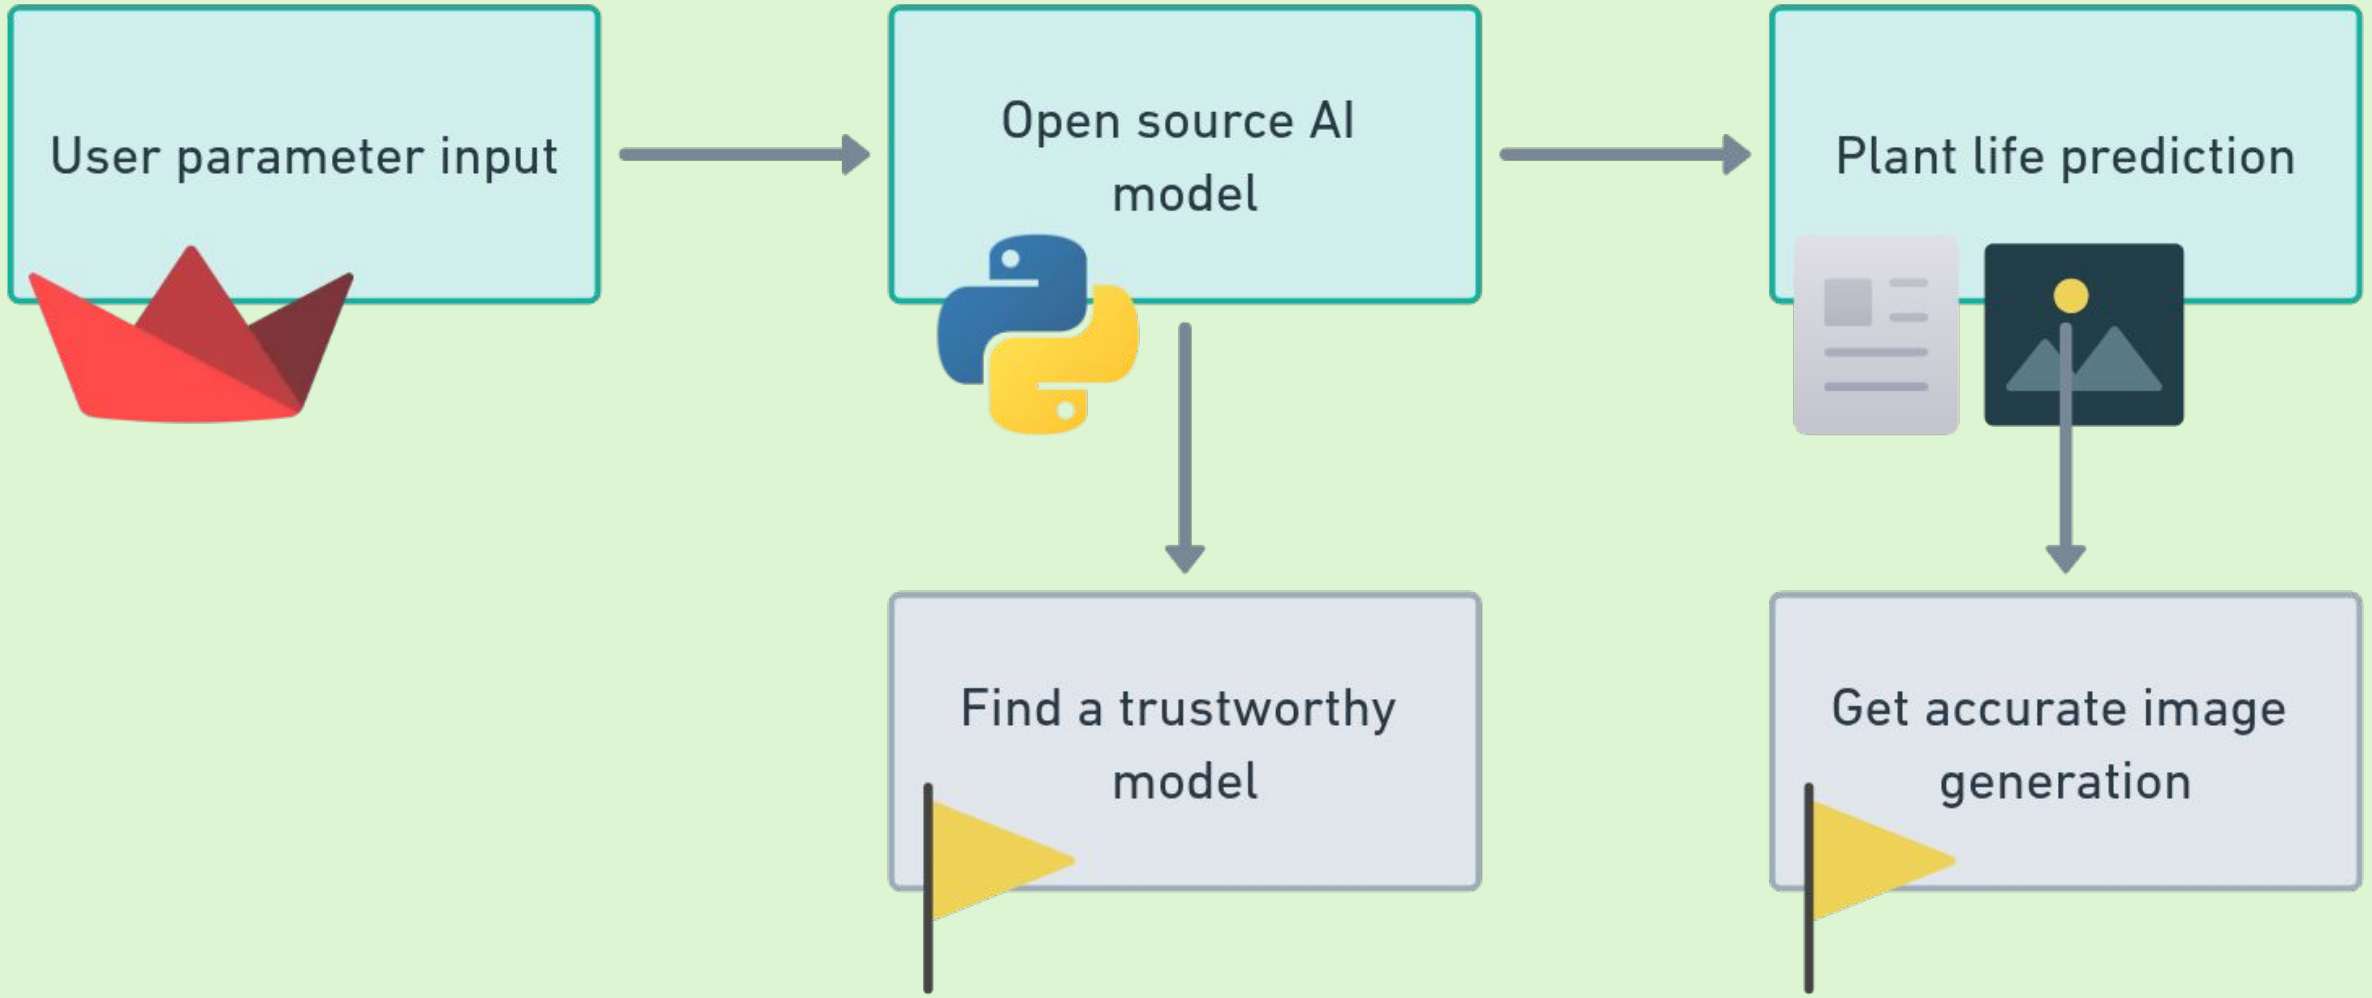
SandwichCraftz
Hackathon Summer Edition
2025

Hi everyone, we're SandwichCraftz!

- Martina
  AI text integration
- Nicolò
  Image model generation

- Hopefully, it will help us grow some house plants :)
  We are definitely not great gardeners

- The goal is to provide a **simple** yet **pleasant UI**, which allows for **intuitive** parameters control and returns **coherent** and **correct** results



User parameter input
Open source AI model
Plant life prediction
Find a trustworthy model
Get accurate image generation

Thank you!
