

# MamaCar

## Challenge from **Systems**

Andrea Neroznak  
Carmen Colombi  
Martina Zumpano  
Viktoriya Kuzmenko

12-13 NOVEMBER 2021

**HACKATHON**

TECHPARK SÜDTIROL / ALTO ADIGE

**MamaCar**

**22.000**

Moms with children  
up to primary school

**300%**

Increase in school  
period traffic

## **Problem 1**

Busy moms

## **Problem 2**

optimization of gurbage truck route

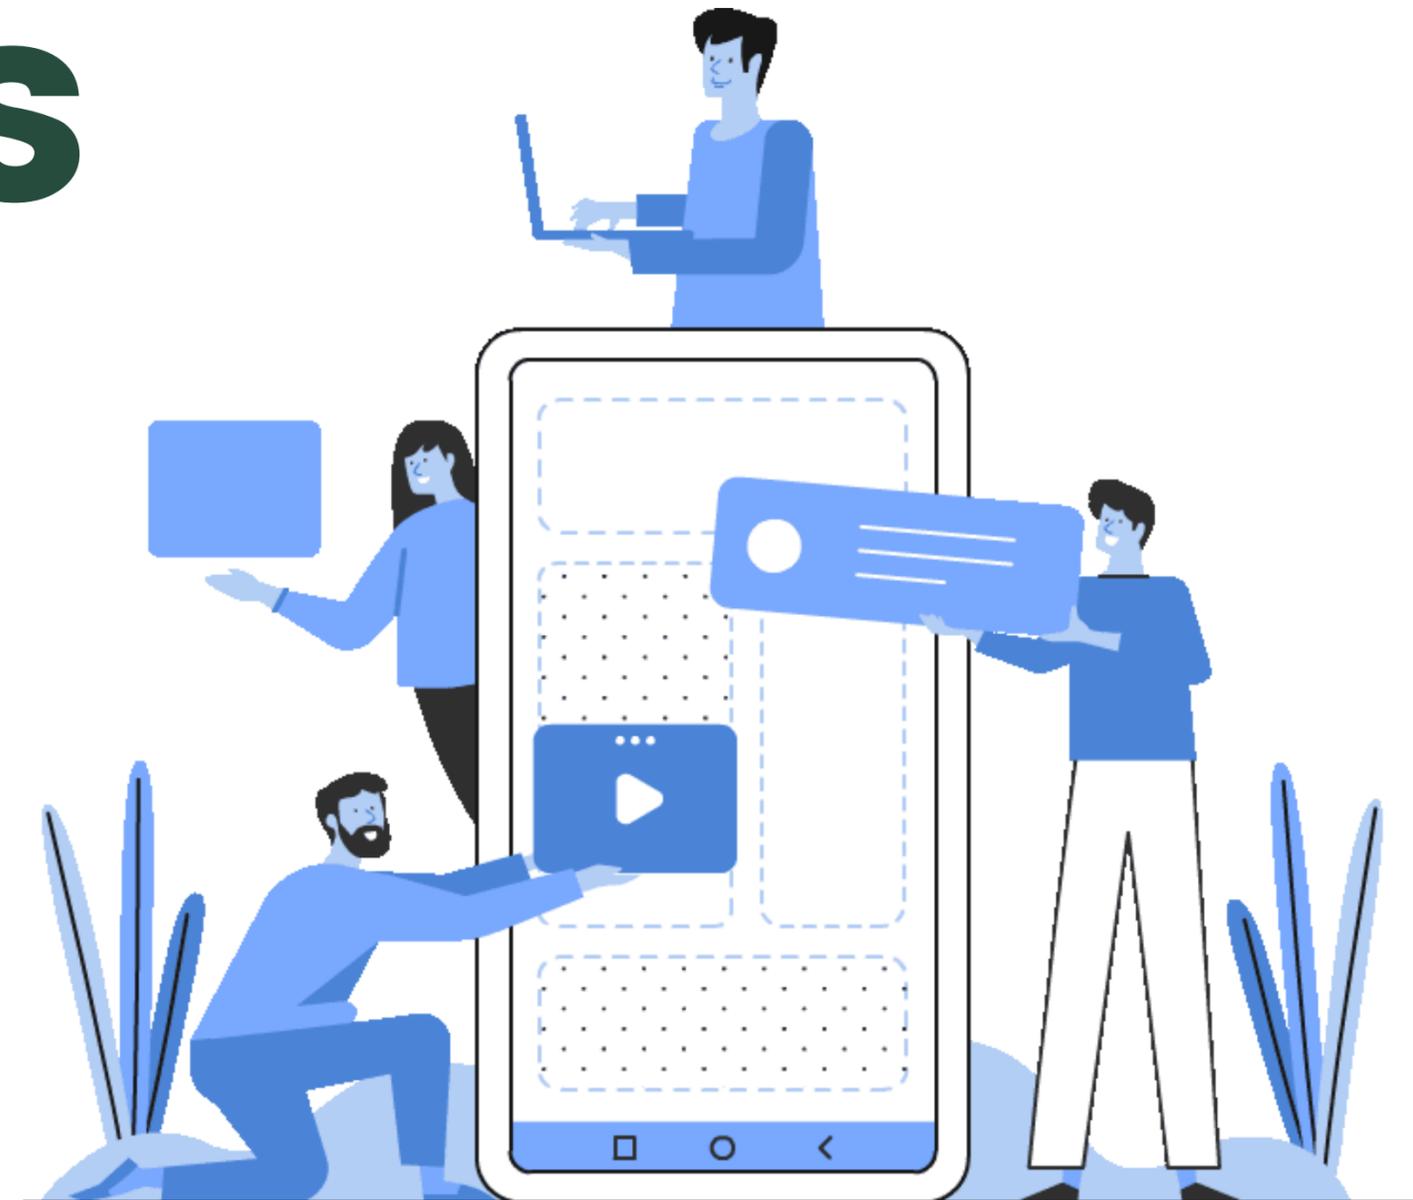

## **Problem 3**

enviroment

# How it Works

- collecting data from the different points
- live optimisation of the route
- collecting the garbage with the control of temperature outside
- respectful for the environment

**Versatility of  
our technology  
it's our strong point**

**From mothers  
to garbage system  
tracking**

THANK YOU FOR YOUR ATTENTION

Andrea Neroznak – Carmen Colombi – Martina Zumpano – Viktoriya Kuzmenko
